

Works carried out by “Dilijan” national park SNCO in March, 2016

The workers of the conservation unit of “Dilijan” national park SNCO detected and composed 4 reports on deforestation of 8 trees; the above mentioned reports on violations of norms of forests were sent to Tavoush regional office of the Nature Inspectorate of the RA Ministry of Nature Protection Staff.

Conferences, seminars were held alongside the employees of “Dilijan” national park SNCO regarding illegal cutting, poaching, plant gathering, particularly tree and plant species registered in the Red Book of the Republic of Armenia.

The workers of scientific division of “Dilijan” national park made phenological observations, additionally developed the following seminar theme: “Mammals of “Dilijan” national park”. “Dilijan” national park” seminar was organized for Dilijan N6 schoolchildren of 8th and 9th grades.

Ecotourism and recreation unit paid a visit to some guest houses in Dilijan. Ecotourism opportunities of “Dilijan” national park were featured; informative materials, brochures, booklets were distributed in aforementioned guest houses. Waste disposal activities were implemented on the way to Monastery Complex of Hagarcin, as well as adjacent areas.
