

06.06.2016 Works fulfilled by "Dilijan" national park SNCO in May, 2016

The workers of the preservation division of "Dilijan" national park SNCO detected and composed 7 reports on illegal cutting of 14 trees; the above mentioned reports on violations of norms of forests were sent to Tavoush regional office of the Nature Inspectorate of the RA Ministry of Nature Protection Staff.

Reforestation, support and planting activities were carried out within 18 ha; 5ha in "Dilijan", 3ha in "Shamakhyan", 5ha in "Gosh" and 5ha in "Aghavnavank" districts respectively. Spring regular inspections of 2016 were done, results were summarized and sent to Bioresources Management Agency of the RA Ministry of Nature Protection Staff.

The workers of scientific unit made phonological studies of wild fruits, major and lime tree species in the area of Dilijan national park; additionally, they continued observing Lake Parz as a separate ecosystem.

The employee of ecotourism and recreation unit paid visits to Dilijan-Matosavank /E1/, Dilijan-Jukhtak Monasteries-Chapel /E2/ ecotourism routes. Dustbins were installed over pavilions adjacent to Hagharcin road. Competitions were held to purchase guns and uniforms for employees of "Dilijan" national park SNCO. Relevant contracts were signed.
